REHEARSAL DINNER

HELLO FROM  
REBECCA LONG PHOTOGRAPHY

My passion is people, and my love is photography. We've shared the joys of the journey to marriage with over 150 brides and grooms since our beginning in 2010. We started on this business adventure together, just a few months after we said our own vows. Our roles have changed and become more defined over the years, but I (Rebecca) have always been the main shooter with my husband, Brett, being my trusty sidekick - there to help on wedding days and be my second shooter. (And family photo organizer, and driver, and snack-giver...)

I know one day our little girls won't be so little anymore and I'm so thankful to now have the perspective of a parent on wedding weekends. I know this season has been long awaited for you as much as it has been for the couple. I strive to take care of not only our bride and groom, but also their families. So, welcome to our Rebecca Long Photography family! Let us know how we can help.

Being a photographer is an honor I never imagined having. It is a joy to preserve these memories and relationships for y'all and I hope our images bring smiles for decades to come.

All the best,

*Rebecca Long*
